

David Zhan
(510) 508 - 0222
zhandavidz@gmail.com
Albany, CA

Objective

To find an internship where I can expand my knowledge of programming, develop stronger coding habits, improve my communication skills, and cooperate as part of a workplace team.

Education

Albany High School, Class of 2022 (4.0 GPA)

Relevant Coursework

AP Computer Science A, AP Calculus BC (AHS)

Programming in Java (UC Berkeley Academic Talent Development Program)

Experience

Teaching Assistant for ATDP classes: Web Development (2017), Programming in Java (2019).
Analyzed student code; assisted in grading; led my own small group of students in completing classwork.

Volunteered for office work at ATDP (2017). Scanned old documents for digital archives.
Helped with organizing the workspace

Skills

Programming Languages: Java, JavaScript, HTML, CSS, PHP, Python

Speaks Mandarin Fluently

Active listening

Accepting and incorporating constructive criticism

Hobbies and Interests

Swimming for Albany Armada Aquatics (2014 - present)

Science Bowl (2015 - present)

Awards and Achievements

Artificial Intelligence I-Search Project Website/Portfolio (2018). Built website under a fictional persona (Jack Wilson, Ph.D.) to share my research on the history and future of AI.
